

Whether children walk, ride a bicycle or take the bus to school, it is extremely important to follow proper safety precautions.

Before you step off the curb to cross the street, stop and look all ways to see if cars are coming.

GETTING OFF AND ON THE SCHOOL BUS

- Always stand at least three giant steps (6 ft.) from the curb
- Be sure the bus driver can see you and you can see the bus driver
- When the driver signals for you to cross, walk across the road while also keeping an eye out for sudden traffic changes
- Stay away from the wheels of the bus at all times

WALKING TO SCHOOL

- The safest place to cross is at a street corner or intersection
